Dear Parents

As part of the stricter measures, it is stipulated that no persons who have nothing to do with school operations are allowed on the school premises. This includes school buildings, including kindergarten buildings, but also sports halls, childcare rooms and playgrounds.

- Children should be able to walk to school unaccompanied by adults.
- Parents may only enter the premises in exceptional circumstances.
- School visits by parents are not permitted
- All school events outside school hours are prohibited.
- The general obligation for adults to wear masks remains in force.

We thank you for your support and wish you and your children good health.

Freundliche Grüsse
